Interviews of Head Coaches for Tier 1 teams are expected to take place between August 16 and August 31, 2014. The hiring of all Tier 1 Head Coaches will be completed by the Rep Committee and approved by the Board of Directors before Labour Day. Tier 1 Head Coaches will be hired under a 2-year agreement and will be held to specific metrics during the term of the agreement.

A Tier 1 head coach will lead the cohort and work with the Tier 2 head coach to develop a consistent training and development philosophy for all players. Also, the Tier 1 head coach will work with the Rep Committee to select the Tier 2 coach after the Tier 1 team is selected.
